

A Fifth Reader (Classic Reprint)

By Arnold Arnold

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Fifth Reader This series of books is designed to meet in particular two educational needs: first, reading books containing better literature than the average Header contains; second, books adapted to the modern graded school. The ordinary series of Readers consists of five or six books, - the first three being composed of made matter, put together upon the theory that children can read only selections containing certain words. The remaining two or three books are composed partly of original matter and partly of short, disconnected selections from standard authors, - many of these selections not being suited to children of any age, and none of them being graded with reference to adaptation of language or thought. In the present series, its authors have aimed to include nothing but good literature, the greater part being selected from standard writers; and in so far as possible the selections are given entire as they came from the writers hands. In each book, beginning with the Fourth, are to be found some selections of considerable length, both in prose...
