Beating Debt and Building Wealth is a financial guide designed by Christians for Christians, who want to live a debt free, stress free lifestyle. This thought-provoking guide will help empower Christians to take charge of their finances and STOP making excuses. This guide talks about finances in general, and what the Bible says about debt. After reading this guide you learn a linear mathematical approach to eliminating all your debts and explore the Biblical teachings on prosperous living. This guide will also provide the reader with a biblically based philosophy of money management. You will learn how to get out and stay out of debt, develop and live within a budget and how to be a financial blessing to the Kingdom of God. Being in debt most of his adult life, Lonnie and his wife realized that this was not God's plan for their finances. After much prayer and seeking God in their finances, it became clear that being in debt was not the answer. As a result of his new found freedom and financial peace Lonnie co-founded Alliance Financial Ministries, Inc. The goal of this ministry is to help individuals understand a biblically based philosophy of money management. This item ships from multiple locations.
