*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

To many this volume will appear to be nothing but a bald catalogue, of little value and less interest; a production showing very meagre results for five years of diligent labor expended in its preparation. Yet so it is, that in the field of literature, the bibliographers task is that requiring the greatest patience and labor, with the least impressive results, as is quaintly said by Anthony a Wood, in the preface to his History of Oxford: A painfull work it is I ll assure you, and more than difficult, wherein what toyle hath been taken, as no man thinketh, so no man believeth, but he hath made the triall, But is it therefore of the least value? Is it nothing to have preserved for future ages, a record of those products of the press, called forth by one of the greatest epochs in the nations life; to erect a library within one cover for the true historian, the one of fifty or a hundred years hence, to make choice of the foundation whereupon to build his more enduring monument. It is with this aim alone that...
