Shelves, Cabinets and Bookcases

By Fine Homebuilding", "Fine Woodworking"

Taunton Press Inc. Paperback. Book Condition: new. BRAND NEW, Shelves, Cabinets and Bookcases, "Fine Homebuilding", "Fine Woodworking", Everyone needs more storage for books and other media. That's why building shelving is so popular among woodworkers, whether the project is a simple shelved built-in or a high-style bookcase. While building a basic box is fairly easy, constructing a stylish piece that will hold substantial weight takes some design savvy. In this collection of recent articles from "Fine Woodworking and Fine Homebuilding", accomplished craftsmen contribute their advice on building sturdy and attractive bookcases and shelves and also provide instruction for the special design requirements of built-ins and entertainment centres. The 16 projects, in a wide array of styles, offer enough variety to suit any taste and skill level.
