

On the Side of the Poor: The Theology of Liberation

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

ON THE SIDE OF THE POOR: THE THEOLOGY OF LIBERATION

Orbis Books (USA). Paperback. Book Condition: new. BRAND NEW, On the Side of the Poor: The Theology of Liberation, Gustavo Gutierrez, Gerhard Ludwig Muller, In my judgment, the ecclesial and theological movement that began after the Second Vatican Council in Latin America under the name 'liberation theology,' is one of the most significant currents of Catholic theology in the 20th century." --Cardinal Gerhard Ludwig Muller For many years the theology of liberation, which emerged from Latin America in the 1970's, was viewed with suspicion in Rome. It was the subject of a critical notification from the Vatican Congregation for the Doctrine of the Faith, and many of its leading proponents were disciplined or silenced. Now, an historic exchange between Gustavo Gutierrez, author of the seminal work A Theology of Liberation, and Cardinal Muller, the current Prefect of the Congregation for the Doctrine of the Faith, signals a new chapter in this ongoing dialogue. Cardinal Muller, a former student of Gutierrez who spent many summers working in Peru, writes with deep feeling and conviction about the contributions of liberation theology to church teaching--particularly in articulating the preferential option for the poor. In his contributions, Gutierrez lays out the essential ideas of liberation theology, its ecclesial location, and its fresh enunciation of the gospel for our time.
