CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Dimensions: 8.6in. x 5.8in. x 0.2in. In A Book of Five Rings, Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like you must understand this and you must practice diligently and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. Its value comes from reading between the lines--lines which speak volumes. This item ships from La Vergne, TN. Paperback.
