Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This title is designed to be the best friend of those who want to enter, advance in, and change jobs in one of the most interesting industries in the 21st century. The best way to enter a new industry is to look and sound as though you belong to the field, so there are resumes to help the career-minded find their first job in the financial world. Other resumes help the financially astute professional advance in the field. You ll find job titles such as these in this book: auditor, financial services consultant, investment banker, commercial banker, bookkeeper, commercial loan specialist, data entry operator, controller, chief financial officer, budget management specialist, business analyst, business services manager, accounts receivable specialist, insurance adjuster, funds transfer analyst, loan officer, mortgage consultant, real estate broker, revenue field auditor, accounting manager, staff accountant, tax auditor, teller supervisor, training operations manager, and many others! This book offers a rich mix of resumes and cover letters designed to help the career-minded advance in the financial field. From mortgage loan officer, to controller, to accounting manager, you will see examples of resumes used by real people to move in (and up) in the financial industry. Learn how to show off your technical know-how using effective formats and prose. And just in case your goal is to transition out of the financial field, you ll find resumes and cover letters of people who changed careers. A word of advice from Editor Anne McKinney: If you want to enter the field of finance or advance in the industry, you don t need just any resume book. You need an industry-specific book. You will love this book targeted specifically...
