Moreover, while Sparta and Athens were often the centers of power in ancient Greece, Ephesus, located in present-day Turkey on the coast of Ionia, was an instrumental part of the Ionian League, which wielded power for a substantial period of time before the Classical Era. Thanks to its strategic location, Ephesus was an important city no matter who was in control of the region. In fact, while many of its most famous buildings were completed by 500 BCE, the city flourished after it became part of Rome s domains, and the...
