Pages Number: 540 Publisher: Beijing Normal University Press Pub. Date :2004-7-1. In order to meet the new curriculum standards for the nine-three-year junior high school textbooks (revised version) to use, we deliberately wrote this New Junior Classical decipher. Book with new material, based on Protestant participation, and making it into one organic whole. Written by decipher text, knowledge classification of two parts. Decipher text contains the problem solution, the author (works) profile, decipher, with a total solution of four. Problem solution is the interpretation of the main title, introduced the background. Author (work) brief introduction the author focuses on the thoughts and works of historical value. The total solution is the sum ideological and artistic texts. To decipher the text is focused, for the translation, notes and commentaries. In brackets before the table notes, after the table commentaries, of which a small note in brackets, we have a negative attitude. Knowledge classification is involved in lexical texts, syntax, and so to summarize, summarized. This part of the classical test questions from the calendar year in the selection of Writing...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
