General Books LLC. Paperback. Book Condition: New. This item is printed on demand. Paperback. 98 pages. Dimensions: 9.7in. x 7.4in. x 0.2in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1904 Excerpt: . . . Department of Plain Sewing. All women should have a knowledge of plain sewing, and in order to afford the opportunity for this training to as great a number as possible, this course is offered in connection with the regular College course. The student is taught hand and machine sewing, mending, cutting and fitting of garments, and is required to spend two consecutive periods per week in the classroom. All materials are furnished by the student. Technical Dressmaking and Millinery. Special attention is given to those who wish to master the art of either Dressmaking or Millinery, and the work is arranged to meet the needs of those who wish to become professionals in either subject. Dressmaking. The student is required to spend four hours daily in the classroom except Monday. They are taught to take measurements, draft patterns, cut, fit, design, and make costumes....
