## VIGORROBIC: THE TRAINING PLAN TO BOOST YOUR SEX LIFE

[DOWNLOAD](#)

Meyer Meyer Sport (UK) Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 2nd edition. 239 x 163 mm. Language: English . Brand New Book. Male potency is subject to the natural aging process. This process can be slowed down by regular exercise. Just like the endurance ability of the cardiovascular system can be exercised, potency has to be exercised as well if a man wants to sustain his performance ability. VigorRobic (R) is the first book ever that deals with exercising potency. In addition to introductory articles that explain the structure of the male genital organ, the book s focal points are: the phases of erection, possible causes of their disturbances, the question about the trainability of potency, as well as training sessions for the steadiness of the erection, to increase the blood flow, and for the oxygen supply of the penis.
