## Sacred Spaces: Stations on a Celtic Way (3rd Revised edition)

---

By Margaret Silf

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Sacred Spaces: Stations on a Celtic Way (3rd Revised edition), Margaret Silf, There are many books that explore actual, physical, sacred space and pilgrimage sites. This is a different kind of book. It introduces seven traditional 'sacred spaces' but then leads readers into a deeper reflection on what such 'sacred space' means in our own lives and experience. The various sacred spaces explored are: the Celtic Cross; the infinite knot; hilltops; wells and springs; causeways and bridges; thresholds and burial grounds; and boundaries. In each chapter, the author introduces a 'sacred space' as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience. The ideas are then brought together by means of a scripture story.
