Scribner Book Company, United States, 2004. Paperback. Book Condition: New. Reprint. 231 x 155 mm. Language: English . Brand New Book. The Phenomenal #1 Worldwide Bestseller -- With a New Afterword Hillary Rodham Clinton is known to hundreds of millions of people around the world. Yet few beyond her close friends and family have ever heard her account of her extraordinary journey. She writes with candor, humor and passion about her upbringing in suburban, middle-class America in the 1950s and her transformation from Goldwater Girl to student activist to controversial First Lady. Living History is her revealing memoir of life through the White House years. Wife, mother, lawyer, advocate and international icon, she has lived through America's great political wars, from Watergate to Whitewater. The only First Lady to play a major role in shaping domestic legislation, Hillary Rodham Clinton traveled tirelessly around the country to champion health care, expand economic and educational opportunity and promote the needs of children and families, and she crisscrossed the globe on behalf of women's rights, human rights and democracy. She redefined the position of First Lady and helped save the presidency from an unconstitutional, politically motivated impeachment. Intimate, powerful and inspiring, Living History captures...
