## Mastering the Business of Photography: What the Pros Do When They're Not Taking Incredible Pictures

---

By Tony Luna

Skyhorse Publishing, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Photography can be a competitive and unforgiving trade, however there are many strategies for professional success. This book is a resource for photographers of all kinds and demonstrates the many ways to manage a career in photography, while still earning enough money to support yourself, a family, your interests, your aspirations, and your passion. Mastering the Business of Photography offers insights into what happens when you're not shooting--which is most of the time--and explains what you must do to further your career, make a living, and accomplish your personal goals. Topics include: \* Organizing assignments from start to finish \* Creating a plan and calculating risks \* Building a standout portfolio \* Anticipating financial matters \* Working with clients \* Self-promoting \* Getting paid \* Booking gigs \* Negotiating a contract \* And much more For freelance photographers and for those employed by agencies as well, this guide is full of practical advice for navigating the world of photo work, coming from an industry professional with over forty years of experience. Allworth Press, an imprint of Skyhorse Publishing, publishes a...

### Reviews

*This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.*

-- Miss Ariane Mraz

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*
