Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehended everything using this written e ebook. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

(Cathrine Larkin Sr.)

LA QUESTION PENALE: AU POINT DE VUE ETHIQUE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from La Question Penale: Au Point de Vue Ethique Quand un homme en offense un autre, quand par exemple un individu vigoureux et fort frappe quelqu un de faible, le temoin de cette offense, s il se place au point de vue moral, eprouve une sensation, qui le pousse a agir doublement. En premier lieu, il veut defendre l offense, en second lieu, ramener l offenseur a la raison. Ces deux besoins derivent d une meme source morale: le respect de la vie et de la dignite d autrui qui, psychologiquement, repose sur le sentiment de pitie ou de compassion. J ai pitie de l etre humain soumis a une souffrance psychique et physique; la souffrance psychique, plus ou moins consciente, consiste en ce que, en sa personne, une atteinte a ete portee a la dignite humaine. Mais la violation exterieure de la dignite humaine dans la personne de l offense se trouve infailliblement liee a la chute interieure de cette meme dignite dans l offenseur: et l une et l autre exigent une rehabilitation. Comme le sentiment psychologique, relatif a l offense, differe essentiellement de par sa nature du sentiment que l offenseur eveille en nous - le premier etant la vraie pitie, tandis que dans le second l indignation morale predomine - il est de rigueur, afin que cette indignation garde son caractere moral, qu elle demeure en tout et toujours equitable vis-a-vis de l offenseur, et qu elle ne perde jamais de vue les droits de celui-ci, si opposes que soient ces deux droits respectifs.
